Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Supplement to the Course of Study: Drawing Fourth quarter - Spring vacation to summer vacation. Spontaneous story drawing and flower drawing, alternating during the term. In the flower drawing, each child working from a model placed on his own desk. Picture Study. A Study of Cats by Lambert. Hunt the Slipper by Douglas. Piper and Nutcracker by Landseer. Third Year Topics for the Year. Spontaneous Story Drawing. While the purpose of this subject is still the development of the observation, it but follows that if a copious expression is the result of a replete observation, then by training the observation we are also training the representative faculty, and we should have creditable drawing as a result. The experience of the two preceding years of this kind of work should prepare the children to illustrate successfully any kind of a story. Heretofore they have drawn the myths, fables and fairy stories; now they should be given stories related to the history and literature of the grade, and, as in the preceding years, all incidents and narratives...
