Brand New Book ***** Print on Demand *****.Elly Glenn and Kevin Wallace both have the work ethic and determination to be the best at everything they strive to do. As college athletes, they both played important roles at the national championships. Now they want to lead and inspire high school students to turn their lives around through athletics. Elly quickly turns around the lackluster girls volleyball program at Pinder High School. This also has a positive effect on the other students, parents, and faculty. She lays the foundation for a dynasty and is hailed as a living legend. Kevin accepts the basketball coaching spot at Pinder because he wants to start his own dynasty. When he finds out he s working at the same school as a living legend, his competitive spirit kicks into gear. Elly dislikes the way her volleyball equipment is tossed aside, and Kevin dislikes sharing the basketball court with volleyball players. Yet they must find compromises to keep their jobs and to set good examples for their players. And when Elly realizes that Kevin is the only person who can help her deal with a large problem, Kevin learns that Elly is the only person who can fill a void in his soul.
