GOD S GARDENER

Createspace, United States, 2015. Paperback. Book Condition: New. Scott Toney (illustrator). Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is my journey to realization, understanding, and Faith in God. Though I didn t know it, for 50 years God has been protecting me when I went through drugs, sexual abuse, and failed marriages. It wasn t until 3 years ago that I opened my heart and knew that God had been calling me all my life. I ve learned a lot in my studying God s word and reading a host of other books. As a Christian Book reviewer I learned a lot about myself and the changes I needed to make in my life if I wanted to be a good and faithful servant to God. I ve learned how to be a spirit warrior and I ve been passing my knowledge on to others. That s when I realized I was planting seeds for God. Seeds of faith, hope, love and salvation. I feel as if I m God s Gardener.
