

Leap

By Jodi Lundgren

Second Story Press, Canada, 2011. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. Natalie Ferguson has just turned fifteen, a momentous age that, happily, means that she's officially a grown-up. But while her mom doesn't seem to have got the memo, Kevin, her best friend Sasha's older brother, has. The school year is over, and Natalie is looking forward to a summer of perfecting her technique at dance camp. Caught up with the excitement of Kevin's attention, their relationship quickly becomes intimate and all-consuming. Natalie's summer is a mix of amazing highs and dramatic lows. She goes from being in love and lust with Kevin to realizing that he is not the guy she thought he was, and she may have lost her friendship with Sasha in the process. Then, just when she's ready to turn to her single mom for advice, she learns that her mother is now in love with a woman. Losing her virginity, dealing with her new understanding of her mother, and trying to renegotiate her relationships, Natalie clings to her dancing as the only sure thing in a life suddenly full of questions.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
